RANKING LADDER

1 Matches won More wins ranks higher.	2 Two level? The winner of their match ranks higher.	3 Three or more? Bigger game difference ranks higher. If two are left level, their match decides.	4 Still level? Bigger point difference ranks higher. If two are left level, their match decides.	5 Still level? Draw lots.
---	--	---	--	-------------------------------------

Game and point differences use all of a player's group matches. If a player withdraws or retires, delete all of that player's results before ranking (Regulation 16.2.5). Where two players from the same federation are in a group, their match is played first (16.5).
